Subject: Approval of Updated Reclamation Surety and mine Plan Amendment, Utah Portland Quarries, Inc./Buzzi Unicem, Inc., Quarry Antone, M/045/021, Tooele County, Utah

Dear Mr. Glackin:

On January 26, 2010, we received the bond rider and replacement reclamation contract for the Quarry Antone mine, located in Tooele County, Utah. No other changes in your bond will be required at this time. The reclamation surety will not need to be reviewed again until the year 2012, unless you amend or revise your mining and reclamation plan.

On January 25, 2010, we received replacement pages updating ownership information. The Division approves this amendment, and copies of the approved pages are attached.

Thank you for keeping the reclamation surety current. If you have any questions concerning this letter, please contact Leslie Heppler at (801) 538-5257.

Sincerely,

Paul B. Baker  
Mining Program Manager
